

Unique Fundraiser Item

With poinsettias, you offer a special item that your supporters will want to buy during this time of year and avoid competing with other common fundraising products. Beautiful cyclamen plants are also available for your supporters that would prefer an alternative to poinsettias.

Profitable Fundraiser

You are free to decide your selling price. Pick a price that creates a profit to meet your needs and your market. Most groups will make more than \$5 on the standard poinsettia or cyclamen and \$10 on the large poinsettia.

Flexible and Friendly Program

Your order is not limited by increments or packages. You select the exact quantity, pot size and color of plants that your organization prefers. Our customer service staff will happily answer your questions and provide guidance to help your fundraiser proceed smoothly.

Outstanding Quality

Wagners grows top quality plants that can last for a month or more in the home with proper care. Our plants are in full color with healthy green leaves.

Local, Family Owned Business

Wagners is a local, family owned business that truly cares about your organization and your success. We will do everything we can to make this a successful fundraiser for your organization.

Prepare to receive & distribute your plants

Educate your group members about how the plants will be distributed. This may include:
