New Varieties

Gerbera ColorBloom Mix

The new ColorBloom Mix is a very uniform series with a short flower window. ColorBloom is specially designed for the 4" & quart retail market and is around 10 days faster to flower than comparable series. Plants stay compact so foliage doesn't get too full or leafy, allowing the colorful blooms to show through. Mix of all 5 ColorBloom varieties: Bicolor Orange Yellow, Cherry w/ Light Eye, Deep Rose w/ Light Eye, Red w/ Light Eye and Yellow w/ Dark Eye. Finish pots from our 72s in 8-10 weeks. (144, 72)

Gerbera Flori Line Giant Select Mix

The Flori Line Giant series features extra large flowers on vigorous plants making this a great option for pot production. Ideal for 6-7" pots. Select Mix is a mix of core colors including light eye and dark eye varieties. Finish pots from our 72s in 10-12 weeks. (144, 72)

Substitution List

Specialty Florist Program Information

All product ships November 4, 2019 through October 30, 2020.

Every young plant that leaves Wagner Greenhouses carries with it the evidence of our dedication to producing top quality products to help your season get a great start. We start by working closely with your sales person to ensure accurate order entry. We test every seed lot that comes through our doors to avoid surprises during production. We sow to order, and grow the plants under carefully controlled conditions, with a staff skilled at managing fertilizer, moisture and temperature to achieve ideal plant growth. Our picture of an ideal plant includes well-developed roots and compact top growth, all with minimal chemical use. We then ship the young plants to arrive in good condition on the date you expect. After shipping, we continue to support our product with technical expertise. Your success is important to us, and we are dedicated to helping you achieve it.

Production Lead Times (in weeks)

	51	72	144
Gerbera		9	8
Gloxinia		11-13	10
Ornamental Pepper	8		

Lead times are provided in weeks. This indicates the number of weeks in advance an order for this item would need to be placed. Please note that lead times will vary based on season.

Order Minimums

Order minimum is 6 trays per order across all Wagner's young plant programs.

Packing

Boxes

Boxes are constructed with recyclable, moisture-resistant corrugation. Boxes are packed using one tube size per box with approximate tray packing as follows:

4 trays per box for 144 cell size

6-8 trays per box for 51 strip

3-4 trays per box for 72 cell size

Regular Packing:

	Standard Box	Courier Box*
Dimensions	22"x12"x14"	22"x23"x14"
Weight	20 lbs.	40 lbs.

Insulated Packing**

	Standard Box	Courier Box*
Dimensions	23"x13"x15"	23"x25"x15"
Weight	23 lbs.	46 lbs.

*Courier box is two standard boxes inserted into a larger overlap box

**Insulation utilized when necessary to prevent plant damage from frost

Customer Owned Carts

Customers may drop off their own carts prior to scheduled pickup date. Ownership labels must be on each cart and the carts must be clear of all plant debris.

Wagner Owned Carts

Sanitized carts may be used for deliveries to customers able to handle and unload at the time of delivery as temperatures permit. Our ability to drop carts for an extended period of time depends on the truck's route.

Order Cutoff

The deadline for order additions and order changes is Thursday at noon the week before sow or ship.

WAGNERS

A growing tradition since 1901

Courier To Door - Small to Medium Shipments

-FedEx Priority Overnight Service

All parcel shipments during the cold season will be sent FedEx Priority Overnight at Wagner's discretion.
