

Wagners Donation Requests

Wagners receives countless donation requests each month. We give to as many nonprofit organizations as possible but unfortunately are not able to fulfill all requests. All requests that meet our donation request criteria will be given fair consideration but not all requests will receive a reply. Requests must be received 30 days prior to the event. We do kindly ask that you respect our policies.

We have chosen not to:

- Give to or sponsor sports teams.
- Give to for-profit organizations.
- Place ads in nonprofit brochures, bulletins, programs, flyers, etc.
- Give to third party donation seekers or professional fundraisers.
